

Dear Reader:

Over the next two years the Library of Congress will again offer catalogs of audio and braille books. This order form offers you the opportunity to order these catalogs in advance. The catalogs you select will be sent to you when they are published. All will be yours to keep. Since this form covers two years, there will be no order form in 2012. This order form will have no effect on your subscription to *Talking Book Topics* or *Braille Book Review*.

**Instructions**

1. Select the catalogs you wish to receive from the list on the reverse side of this page. (If you do not want any of the items listed, please discard this form.)
2. For each catalog you select, choose the format you would like (large print, braille, or audio).
3. Return this form in the enclosed postage-paid envelope within three weeks.

**Note:** The address on the enclosed envelope is for use with this mailing only. Continue to contact your cooperating braille or talking-book library to borrow books or change magazine subscriptions.
