

**FEDLINK Registration**  
**Military Libraries Training Workshop, 2021**

December 6-10, 2021

Conference website: <https://connect.sla.org/military/mltw-2021>

Registration for the 2021 Military Libraries Training Workshop (MLTW) is now open to FEDLINK members who would like to use their FEDLINK Training (FT) accounts to pay for attendance.

MLTW will be held virtually Monday, December 6 through Friday, December 10, 2021.

The registration fee is \$50.00 per attendee.

MLTW is the biennial workshop of SLA's Military Libraries Community. Military librarians from all branches of the military and representing all types of libraries (academic, public, medical, and technical) meet to share ideas, challenges, and solutions.

**FEDLINK Payment Methods**

To register via FEDLINK you **must** have a FEDLINK Training (FT) account.

To use an FT account, you must have either

- Active prior year funding or
- A completed FY2022 Interagency Agreement (IAA) that includes a funded FT account.

**Registering for MLTW**

To attend MLTW using your FEDLINK FT funds, you will need to register to pay via FEDLINK and then register to attend the sessions with MLTW.

**Step One: Register with FEDLINK by 5:00 pm (ET) on Wednesday, December 1, 2021.**

Complete the FEDLINK registration form here:

<https://www.surveymonkey.com/r/FEDLINKmltw2021>.

**Funds must be available in your FT account before registration is complete.**

**Step Two: Register with MLTW**

To register for MLTW, complete the MLTW registration form on the SLA website:
